This is a vintage BBE 822A for sale, I used this thing for years in my rack and it is a workhorse! Sorry that it is a bit dirty, I literally just found my old rack case with this thing in my families garage. I tested this unit on 4/13/2016 and I found that in manual mode the definition knobs on b...

BBE 822 Sonic Maximizer - \$250.00 This remarkable audio processor works like no other exciter / enhancer. It actually re-aligns three different frequency ranges to arrive at the listener's position in correct time-alignment which is lost in the process of recording and reproducing that recording over loudspeakers. This is a simplistic explanation of what is actually involved in the process but ...
