[Essentials of Perioperative Nursing - Bartlett - 1997 ...](#)

The nurse's role in perioperative practice has two components which implies supporting the patient's autonomy or his right to choose freely, regardless of whether the nurse is in agreement with the patient's decision. One of the fundamental duties of nursing is to promote and defend patients' rights (Segesten and Fagring, 1996:142). The act of suppressing an individual's rights ...

[Registered Nurse - Elsevier Education](#)

This superb review tool addresses the multiple facets of perioperative nursing from creating and maintaining a sterile field to caring for the patient following the procedure. Each chapter begins with a brief introduction followed by a series of test questions concerning the chapter topic. Answers and rationales for the questions appear at the end of the chapter. An ideal resource for CNOR ...
