answer choices Brian scrambled out and shook in the morning sun and stretched his back muscles and sore legs. He swung harder, held the hatchet so it would hit a longer, sliding blow, and the black rock exploded in fire.

[Hatchet By Gary Paulsen Questions And Answers](#)

About the Book. Hatchet appeals to most students and is exemplary in demonstrating how sensory details improve writing. The scene of the plane crash draws students in. Many of them have limited knowledge of what to do when someone has a heart attack, and the scene is purposely written in a confusing way to match the chaos of the moment. The drama can be magnified if the teacher reads this part ...

He recognizes that throwing the hatchet was not helpful in dealing with the porcupine but it did give him a way to make fire. Brian's dreams illustrate another of Paulsen's principles of survival: pay attention to your instincts, experience, and internal messages. Brian also learns an important lesson about his emotions in this chapter.
