Hatchet is a story of survival, resourcefulness, and resilience, and remains a popular novel for young adults nearly 30 years after its publication. Paulsen's novels often center on nature, and Hatchet is no exception. The majority of the novel takes place in a remote Canadian forest, where Brian makes a camp beside a lake and spends nearly two months trying to survive until he is rescued. The novel carries important themes of respecting and understanding the natural world and the way it ...
