With the recent shooting at the Mandalay Bay in Las Vegas, lots of law enforcement and legislative issues resurfaced, one of which is the use of force. With such a dreadful event, one can assess that this is a situation when the use of force is justified, if not necessary. With 59 killed and hundreds injured, one would wonder what could have been done to prevent the gunman from opening fire ...

"We train our officers to have an understanding on when they can use force, but we make sure we cultivate a desire in them not to use force when it's not necessary," Sgt. Aaron Griffin said in his explanation. Griffin said transparency with the public on how and why officers are using force was another important takeaway from the forum. According to Captain John Hotz, 0.04 percent of service ...
