In poems of quiet force, Geri Doran maps the fragility of human connection and the irreducible fact of grief. From the communal ruptures of Chechnya and Rwanda to the personal dislocations that attend great loss, Resin weighs frailty against responsibility, damage against the desires of the heart. For the poet, a factory fire in late-nineteenth-century Portland becomes a tool for precise ...

[Resin by Geri Doran reviewed by Remy Wilkins] Faith is unilaterally said to be a comfort; submission is thought to be the fruit of oppression. Faith has become an act of the torpid, it is common to hear "I take it on faith" to mean -and perhaps has always meant- "I take it without consideration", whereas submission has been relegated to a barbaric age of oppression, but what Geri ...

Geri Doran taught one on Robert Lowell recently and is planning to soon teach another on Elizabeth Bishop. I also teach a seminar on traditional poetic genres and Danny teaches one on poetic closure. Geri's very special seminar is on "deep syntax," a course on the complex syntactical dramas enacted in poetic discourse from the 19th century through our time.
