through coaching and mentoring. The values that COMENSA asks its members to uphold in order to achieve its purpose are: Integrity, Ethics, Accountability, Inclusivity and Professionalism. However, there are doubtless other values which are of particular importance to you and your business.

## [Values and ethics in coaching \(Book, 2017\) \[WorldCat.org\]](#)

If moral and ethical values are to result from athletic programs then coaches must emphasize them. One might question if ethics in sport should have principles and values. The principles speak largely to character development, not the accumulation of victories. Four tenets have been identified and linked to modern sports. These tenets intertwine sport's ideals and ethics. Each tenet sustains ...

In a coaching context, there are times when people need to make big decisions, and need to access their values base to know the best way forward for them. Sometimes, people are either not aware of their values, or haven't "visited" them for some time, and need to go back to the basics, to their core, to reflect. Things become important to us when we believe they will take us in the ...
