VALUES CLARIFICATION

Dec 04, 2020

[Values Clarification](#)

Values clarification is an aspect of CBT that involves identifying a patient's personal value system and creating a hierarchy of values that are important to that patient. This value system is used to set treatment goals for the patient and can help a patient exit their comfort zone in order to improve their quality of life.

[Values Clarification \(A Counsellors Guide\)](#)

Values Clarification is a popular therapeutic exercise that can help a client become more aware of their beliefs, and ways in which they are or are not living up to them. Developing this insight will allow your clients to make positive changes to their lifestyle, so they can better live up to their values.

[Values Clarification – Terry Ogburn](#)

A good book to get you started is Values Clarification by Sydney Simon, Leland Howe, and Howard Kirschenbaum (1968). It's brimming with good ideas on how teachers and parents can encourage children's free thinking.

[What is VALUES CLARIFICATION? definition of VALUES ...](#)

Values are the deep-seated, personal standards that influence every aspect of our lives. Examples include integrity, privacy, family, honesty, harmony, and loyalty. Great leaders are crystal clear about what they value and how their values guide their behavior and decisions.

[value clarification - Deutsch-Übersetzung – Linguee Wörterbuch](#)

VALUES CLARIFICATION Your values are your ideas about what is most important to you in your life —what you want to live by and live for. They are the silent forces behind many of your actions and decisions. The goal of "values clarification" is for you to become fully conscious of their

[Values and Goals Clarification - SMART Recovery](#)

Values Clarification is an approach that helps clients clarify their goals, priorities and values, make decisions, and implement changes in their lives. It is not an approach to mental health counseling by itself, but it can be integrated into many mental health counseling approaches.

[Values Clarification - Values List by Lasley, Kellogg ...](#)

Values clarification coaching allows clients to examine and articulate their values in a safe yet courageous environment. The exact wording will matter to the client in the long run, but what is most important in the short run is that the approximate label for the value resonate with the client.

[Values Clarification and Attitude Transformation Workshops ...](#)

Values Clarification worksheet. Values are a person's beliefs about what's important, or what matters most to them. They can be just about anything, such as family, hard work, success, or having a good time. Sometimes, people lose sight of their values—they live their life in a way that's incongruent with what they believe. For example, someone who values family might become overwhelmed by ...
